National University of Singapore

Summer School on Singapore, Asia and the Global Economy

Kent Ridge, Singapore

Jun 2026–Jul 2026

- Key Components: International and Development Economics, Political Economy, International Trade and Monetary Relations, Regional Integration, Technological Change, etc.

London School of Economics and Political Science

Summer School on Statistics for Economics and Econometrics

London, United Kingdom

Jun 2024–Jul 2024

- Key Components: Statistical Data Analysis, Probability and Distribution Theory, Regression Modeling, Sampling and Statistical Inference, Data Visualization with R, etc.

SELECTED WORKS IN PROGRESS

Tracking Bill Changes in China's Two-phase Lawmaking Process (with Jiying Jiang)

When Negative Foreign News Backfires: Economic Insecurity, Anti-Elite Frames, and Political Beliefs in China

RESEARCH EXPERIENCE

Research Group on Economics, Political Science, and Empirical Methods

Hong Kong Metropolitan University & Online

Chair: Prof. Tao Li

Aug 2025–present

- Participate in weekly meetings to discuss frontier papers in economics, political science, and methodology, with particular emphasis on studying and applying empirical research designs and methods such as causal inference and survey experiments; develop individual research projects and regularly present progress to the group.

Legislative Politics and Computational Social Science

Research Assistant, Department of Government and Public Administration, University of Macau

Supervisor: Prof. Jiying Jiang

Aug 2024–present

- Build and maintain an original legislative dataset covering 486 NPC laws and 381 public consultation records, including the digitization, cleaning, and structuring of draft versions and final enacted texts for 98 laws adopted through a two-phase lawmaking process.
- Match and track article- and paragraph-level revisions across legislative drafts and final texts using R-based text processing workflows, cosine similarity, and Jaro–Winkler string distance, contributing to a novel text-as-data infrastructure for studying legislative politics and policy processes in China.

Workshop on Social Network Analysis and Collaborative Governance

Department of Government and Public Administration, University of Macau

Instructor: Prof. Shuwen Zhang

Jun 2026–Jul 2026

- Collected large-scale administrative data on intergovernmental cooperation among Chinese local governments from multiple sources, cleaned and structured 747 observations, and used them to develop social network models for statistical analysis and visualization.

Legislative Transparency, Public Consultation, and Bill Revisions

Undergraduate Summer Researcher, University of Macau

Principal Investigator: Prof. Jiying Jiang

May 2025–Aug 2025

- Participated in an empirical study of legislative transparency in China; collected and cleaned large-scale textual data using code-based web-scraping tools, processed 234 public consultation records, and used R to automate article-level matching, filtering, and descriptive statistics for draft laws across consultation stages for 89 laws.

LEADERSHIP & ACADEMIC SERVICE

Youth Association of International Affairs

Head of Academics

Academic Officer

University of Macau

Jun 2025–present

Sep 2023–present

- Organize academic seminars (including Jean Monnet Seminars), and activities related to international relations.
- Host and co-host the Macau International Knowledge Contest and the Model EU Summit annually.
- Invited to design questions and discussion topics for the Macau International Knowledge Contest from 2024 to 2026.
